## Profile Summary

---

Passionate and skilled Frontend Developer with a strong foundation in backend development. Experienced in building dynamic and responsive web applications using React.js, Node.js, and other modern technologies. Successfully completed internships at Prodigy InfoTech and CodSoft, gaining expertise in HTML, CSS, JavaScript, MySQL, and API integrations. Adept at creating seamless user experiences, managing databases, and implementing user authentication. Armed with a Bachelor of Science in Information Technology and certifications in frontend development and Python programming,

## Education

---

### Bunts Sangha's SM Shetty College

Bachelor of Science in Information Technology (BSc IT) (CGPA : 9.0)

Mumbai,India

Aug 2021 - May 2024

### Ramniranjan Jhunhunwala College (HSC)

Science (percentage : 77.17%)

Mumbai,India

Jun 2020 - Apr 2021

### Theresa High School (SSC)

Secondary School Certificate (percentage : 74%)

Mumbai,India

Jun 2018 - Mar 2019

## Experiences

---

### Prodigy InfoTech — Web Developer Intern

Feb 15, 2024 - March 15, 2024

Remote

- During my remote internship at Prodigy Infotech, I worked on different web projects that they gave me as a task.
- During my internship, I have created different web projects using HTML, CSS, and JS at Prodigy Infotech, and the task was to create a responsive landing page, portfolio, and a weather website using API. It helped me to learn javascript at intermediate level.

### CodSoft — Web Developer Intern

Feb 25, 2024 - March 25, 2024

Remote

- During my internship at Codsoft, I was entrusted with creating dynamic web projects utilizing React.js for front-end development, Node.js for server-side scripting, and MySQL for database management. This experience enhanced my skills in full-stack web development,
- During this internship, I have created a project named GitaGPT, and AI summarizer. While building this projects I have gained knowledge about how to make an API request , Handling JSON data , database connectivity using Nodejs , Authentication and Authorization using JSON Web token (JWT) and many more.
- Tech Stack: Reactjs, Nodejs, Express, MySQL, Rapid API, Material UI, tailwind CSS.

## Projects

---

### AI Summarizer | React , Vite ,Rapid API , Tailwind CSS

<https://aisummarydev.netlify.app/>

- Developed a web application using Reactjs, Tailwind CSS and Rapid API
- The AI Summarizer's main objective is to simplify reading by shrinking lengthy articles and webpages into concise summaries.
- Just provide a link, and within a few seconds, the API working in backend cuts short the lengthy article into a small summary ,it saves your time and effort.

**GitaGPT** | *ReactJS , NodeJS , MySQL,Express JS, Material UI , Rapid API*

<https://gitagptprajapati.netlify.app>

- Developed a full-stack web application using ReactJS, NodeJS , MySQL, Express JS, Material UI, Rapid API, GitaGPT AI model.
- Created an interactive web platform for users to engage with the Bhagavad Gita. Features include full-text access and AI-driven Q&A
- Implemented user authentication, database management, and real-time AI interaction for a seamless user experience

**PICVISTA** | *ReactJS , NodeJS Express JS, MySQL, Tailwind CSS, Pixabay API*

<https://picvistaprajapati.netlify.app/>

- Developed a full-stack web application using *ReactJS , NodeJS Express JS, MySQL, Tailwind CSS, Pixabay API , Freepik API*
- Introducing a dynamic platform where creativity meets technology, offering a vast range of images and videos for free!
- Integrated photos, videos, PSD , Vector, and AI image generator functionality using Freepik API.

## Certification

---

**Frontend Development Certification From IBM Skillsbuild**

**Python Programming Certification From Great Learning**

## Skills

---

**Programming Languages:** Python , Java, C++ , Javascript, HTML, CSS , MySQL.

**Framework:** ReactJS, NodeJS , ExpressJS, ASP.NET , Material UI, Tailwind CSS.

**Developer Tools:** VS Code, Git, Sublime, NetBeans, PyCharm, Postman, MySQL Workbench, Github, MS Office.

**Soft Skills:** Time Management , Team Work , Communication, quick learner, Creativity, Leadership

## Languages

---

English (Professional Working Proficiency), Hindi (Native or Bilingual Proficiency) , Bhojpuri (Full Professional Proficiency)
